THE DIVE EXPERIENCE

Where Cebu ends, the ocean begins.

Fifteen minutes from your room, the largest fish in the sea moves through the dawn light. A fifty-year-old marine sanctuary lies minutes off the beach, and the legendary sardine tornado is a coastal drive up the coast. One beautiful base — the whole bucket list.

FAR-SOUTH CEBU
DIVING FROM OUR GATE

Whale Sharks at Dawn

The world's most reliable, year-round encounter — sent at first light, golden water, fewer boats.

OSLOB · 15-20 MIN BY ROAD

Apo Island

A no-take sanctuary since 1982 — resident green & hawksbill turtles and a great drift.

NEGROS CROSSING · HALF-DAY EACH WAY

Sumilon Island

The Philippines' first marine sanctuary (1974): gorgonian walls, then a powder-white sandbar.

OFF OSLOB · ~1 HR TO THE REEF

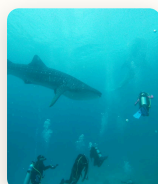

Moalboal & Pescador

The permanent sardine tornado off the beach, plus Pescador's sunlit Cathedral chimney.

WEST COAST · ~1-1.5 HRS BY CAR

3 NIGHTS

First Breath

For total beginners & the partner who's never dived. Discover Scuba, dawn whale sharks, a hero photo.

Arrive a tourist, leave a diver.

5 NIGHTS

The Cebu Big 5

For certified divers who want density. Whale shark, sardines, turtles, wall drift, sanctuary reef.

Five marquees, one stay.

4 NIGHTS

Two Breaths, One Sunset

For couples whose adventure levels don't match. Two tracks, one boat, a shared photo gallery.

One breath, a pastel sunset.

6 NIGHTS

The Southern Crossing

Private banca, private divemaster, full nitrox & a private Apo overnight for the empty dawn drift.

The ocean, to yourselves.

DIVE & COURSE RATES · ₱ PER PERSON

Discover Scuba	3,500	Open Water course	26,500	Advanced course	28,500	House-reef dive	1,900
Whale-shark dive	2,500	Sumilon · 2 dives	from 5,500	Moalboal · 3 dives	12,500	Apo Island · 3 dives	15,500

All gear included. Whale-shark diving adds a ₱1,500 marine-park fee; some boat trips have a minimum diver count. Indicative published rates, subject to change.

FOR EVERY GUEST

Non-divers snorkel the whale sharks and Apo's turtles; beginners earn their first certification; freedivers and families have their own quiet path. Nobody waits around.

DIVING WITH A CONSCIENCE

We go at dawn, brief the science first, and keep a respectful distance — witnessing, never chasing. Wild sightings are typical, never promised, and your park fees fund the protection.
